MEMORANDUM:

Subject: Fourth Quarter Operating Budget Allocation and Facility Maintenance Schedule

To: Departmental Supervisors

From: Hospital Administrative Directorate

Please review the revised capital expenditure proposal for fiscal year 2027. All departmental requests for workstation hardware replacements, office furniture upgrades, and conference room audiovisual refurbishments must be submitted to the accounting office by November 15. Facilities maintenance will be conducting mandatory testing of the backup diesel emergency power generators this coming Saturday between 06:00 and 10:00 AM. Elevators 3 and 4 in the administrative annex will be temporarily offline during this inspection window.

All department heads must confirm completion of the annual compliance training module for their direct reports prior to the end of the current billing cycle. Submit signed rosters to human resources by Friday afternoon.
